

13 June 2018

Amiad Water Systems Ltd.
("Amiad" or the "Company")

Death of a Director

Amiad (AIM: AFS), a leading global producer of water treatment and filtration solutions, is saddened to announce the death of Mr. Avraham Azani, a Non-executive Director of the Company since September 2014 and a member of Kibbutz Amiad (the "Kibbutz"). The Company is liaising with the Kibbutz regarding appointing a replacement director in due course.

Eli Opper, Chairman of Amiad, said: "It is with deep sadness that we announce the death of Avraham Azani, who served as a director of the Company for over three years having previously sat as an observer for two years. His expertise and contribution to Amiad will be missed. We send our sincere condolences to Avraham's family and loved ones."

About Amiad

Amiad Water Systems (AIM: AFS) is a leading global producer of automatic, self-cleaning water treatment and filtration products and systems. Through its engineering skills and ability to innovate, Amiad provides cost-effective "green" solutions for the industrial, municipal, irrigation, oil & gas and ballast water markets. In these segments its patented products are being integrated into the core of systems for filtration and water treatment, micro irrigation and membrane protection, wastewater and potable water treatment, cooling systems and sea water filtration.

Headquartered in Israel, Amiad provides these solutions through nine subsidiaries and a comprehensive network of over 170 distributors to customers in more than 80 countries.
